Please be sure to carefully review the "Terms of Sale" in the enclosed text descriptions section of the catalog insert.

1). Please realize this is primarily an Internet auction, but for those who do not have computer access or on-line bidding capabilities, you are welcome to use the enclosed bid sheet.
2). Your bids entered via bid sheet will be treated as "Up-To" ceiling bids (unless you specifically instruct us to open the bid higher in the "opening bid" box) and will be entered into our auctions bidding software platform for you. They will be bid in a discreet, honest and in a strictly competitive manner.
3). All absentee bids (mail, fax and email) must be **received by us no later than 2PM (EST) on Saturday October 15th, 2016 (closing day)** so we can get them entered into the bidding software for you before the lots begin closing at 7 PM on the auction site.
4). All items have a minimum opening bid of $20 with $10 bidding increments above that. Any bids not entered in this manner will be rounded down to the nearest correct increment (an $87 bid would become $80). All items which receive an opening bid will be sold, as there are no reserves in this sale.
5). An **18% buyers premium** will be added to the hammer price of each winning bid.
6). Your bid entry indicates acceptance of our terms of sale and once entered cannot be changed or withdrawn.

All Absentee Bid Sheets Must Be Received Before 2 PM Saturday October 15th 2016 (Closing Day)
